

From the Cincinnati Commercial.
PRETTY DOINGS—MEETING OF THE COLORED FREEMEN OF COLUMBUS—From the printed proceedings of "a large and enthusiastic meeting of the colored citizens of Columbus," held on the 20th ult., we learn that the original object of the American Colonization Society, was to remove the free colored people, and thereby make slave property the more secure. That there is no evidence that this object has been changed, and the agent of the Society in this State is regarded "as our inveterate enemy, a poor, contemptible servile of the slave power—a little spiteful for slave holders and their abettors," &c. and finally, the meeting

Resolved, That we will never leave this country while one of our brethren groans in slavish fetters in the United States, but will remain on this soil and contend for our rights, and those of our enslaved race—upon the restraints—in the pulpit—in the social circle, and upon the field, if necessary, until liberty to the captive shall be proclaimed throughout the length and breadth of this great Republic, or we called from time to eternity.

KISSING TO SOME PURPOSE—A story has reached our ears, of a singular scheme for raising funds, which was hit upon and put in practice at a donation party held not more than a thousand miles off. It appears that some of the kissable ladies present actually allowed their sweet lips to be kissed at the rate of fifty cents a kiss—that being considered a suitable price for the privilege! If we were not misinformed, one gentleman took five dollars' worth.—*Sandwich Observer.*

MARRIED—On Tuesday evening last, by Rev. James Butts, Mr. W. M. R. DOWNEY, to Miss MARTHA POWELL, all of this county.
On the 1st instant by J. Dougherty Esq., Mr. JOHN ASBURY, to Miss MARY EVANS all of this county.

COMMUNICATED.
In view of the low and languishing state of Religion amongst us—calling, as we believe, for humiliation in the sight of God—and in view of the awful and mysterious visitation of Cholera upon other nations—already in our own cities, and for aught we can tell, about to reach our community, we feel it to be our solemn duty, before the Almighty, to humble ourselves, by repenting of our sins, and forsaking them, and by uniting in earnest and fervent supplication to Him, to avert from us the pestilence which we are threatened. We respectfully, and affectionately, invite others, and all who may be disposed—to join in observing Friday, the 23rd of February, instant, as a day of fasting and prayer—with Divine service, where it may be most convenient to them.

Consumption is Cured!

By Dr. Rogers' compound Syrup of Liverwort and Tar! A safe and certain cure for Consumption of the Lungs, Spitting of Blood, Coughs, Colds, Asthma, Pain in the Side, Whooping Cough, Bronchitis, and all Pulmonary Affections.

Those who have CONSUMPTION OR DIS-EASED LUNGS, we call your earnest and immediate attention to the great merit of the above preparation, and entreat you not to put it down with other advertised medicines, without inquiring whether there is not entire and satisfactory proof of its value, and that too from men of the highest standing, who are living witnesses, and can be seen by any one who will take the trouble to call upon them.

Not only the Physician, but even the Professors among the medical faculty, have had the bar of prejudice broken down by the astonishing cures effected by this great remedy, and have come out at last and given us their certificates that there is no mistake about it—that it really makes cures when every thing else has failed, and that it is the Great Remedy for Diseased Lungs.

Call on the Agent and see the statement of the following persons of Cincinnati who were cured by Dr. Rogers' Liverwort and Tar, after being given up to die with the last stages of Consumption, not only by their friends, but by physicians of the highest standing:

Mr. D. Ludlow, Fifth street, between Race and Elm.

Mr. H. Plummer, hatter, between Eighth and Ninth, on Main street.

Mr. G. Whitehead, Catharine street, half a square below Linn.

Mrs. Ann Childs, Sixth street, two doors west of Smith, &c. &c.

Be not deceived by worthless medicines, which are palmed on you, when such men as Dr. Wm. Richards and Judge Wm. Burke, Dr. H. Cox, late Professor of Cincinnati Medical College, have come out and certified that Dr. Rogers' Liverwort and Tar is the great consumption remedy.

Dr. Cox states, that Miss Belt was pronounced by Prof. Warden and the late Prof. Worcester to be in the last stages of Consumption, and give her up to die; yet Dr. Rogers' Liverwort and Tar entirely cured her.

Statement of Judge H. Morse, of the Courts of Ohio and Cincinnati.

I am well acquainted with Dr. Hiram Cox and his practice, having been my family physician for many years, and can cheerfully say, that I have as much or more confidence in him and his skill as a practicing physician as any man living.

HENRY MORSE.
Cincinnati, Nov. 7th, 1847.

Dr. H. Cox is also the family physician of the Hon. Judge Jas. Saffin, of Cincinnati, late City Marshal.

Caution to all.—Owing to the increased demand for this medicine, an unprincipled man, (John T. Toland,) in Cincinnati, imitated in external appearance only the yellow and blue wrapper, and despatched an interested runner, (P. Clinton,) in this nefarious business to St. Louis to make sales.

This counterfeit omits the name of A. L. Scoville, in fine print on the bottom of the outside wrapper, where it reads, "Entered according to Act of Congress, &c." On the genuine, the name of A. L. Scoville is in large bold following the words "Entered according to Act of Congress, &c."
